## Church Regulations Regarding Fast & Abstinence

Lent 2017 begins with the observance of Ash Wednesday on March 1<sup>st</sup>.

The Catholic Church asks each member to preserve the penitential character and purpose of Lent by attending to the following fast and abstinence regulations.

\* Catholics who have celebrated their 14<sup>th</sup> birthday are bound to abstain from meat on Ash Wednesday and all Fridays in Lent, including Good Friday for the rest of their life.

\* Catholics who have celebrated their 18<sup>th</sup> birthday and are under 59 years of age are bound to fast on Ash Wednesday and Good Friday.

\* Ash Wednesday and Good Friday Fasts: only one full meatless meal is allowed. Two other meatless meals, sufficient to maintain strength, may be taken according to each one's needs, but together they should not equal another full meal.

Eating between meals is not permitted.

\* Catholics should not lightly excuse themselves from these prescribed minimal penitential practices.

### We are now accepting donations for Easter Flowers.

Please print your name and the name of who you are remembering or honoring on the donation envelope. You may mail them, see addresses on the front of this newsletter or you may place them in the collection baskets.

Thank you.

## Jesus tells us, When you fast, anoint your head and wash your face, so that you may not appear

**to others to be fasting.** And yet, every one of us will leave here with a clear sign that we are entering into our Lenten season of fasting, prayer and almsgiving. We often hope our ashes are a public witness of our Catholic Christian commitment to Jesus Christ. We want people to notice our ashes. There are even social media campaigns that encourage us to send in photos of our ashes. We take to heart what Saint Paul says: We are ambassadors for Christ, as if God were appealing through us.

The readings are not asking us to shy away from a public display of our devotion to Christ. They're asking us to be very clear on whose behalf we are standing tall. Jesus reminds us that we can pray out loud and publicly witness to God, but if we are not doing so with a humble, contrite heart, then we are doing so for our own sense of pride. And in doing that, we've received our reward – people taking notice of us.

Lent is not a time of stern sacrifice. It is a time of being wooed by God to deepen our relationship with him. We are called to be courageous in giving up all that hinders the deepening of that relationship. Whatever it is we give up this Lent must be replaced by something of virtue.

Food and drink seem to be some of the most popular things given up, but in the end they will be placed back into the daily routine and what has really been given up? To go six weeks without them can be merely an action of sheer will power. On whose power do we rely when we give them up? We just may find at the end of the six weeks that we have received our own reward. We can give up junk food and never once experience God in a deeper way or purge our life of some character flaw that hinders our coming before God with a humble, contrite heart.

There is a hymn called Hosea, or Come Back to Me with All Your Heart. There is a line in the song which says, “The wilderness will lead you to the place where I will speak.” The words of this song encapsulate much of what Lent is about. Lent is a season that

invites us to go into the wilderness – to go to a quiet place in our hearts and in our homes – so we can become more attuned to the voice of God who speaks in the silence of hearts. And so we can, throughout the six weeks of Lent, lay ourselves bare before God and discover our relationship anew. The song goes on to say, “Long have I waited for your coming home to me and living deeply our new life.”

Let us take time during the Eucharistic celebrations and ask God to reveal what it is that hinders our relationship with him. Then let us ask God for help in finding ways to overcome it in the upcoming weeks. Then, when our Lenten journey of faith ends and we arrive at Easter Sunday, we may truly find ourselves raised up to a newer and fuller life in Jesus, and be able to share more fully in the joy of Easter.

## St. Patrick's Religious Education 2017

Just as sunflowers follow the "sun", we have been following the "SON" and have been guided by "His Light."

Since classes began in October, our students have been on a faith journey to follow the "Light of Jesus." The catechists have helped the students understand how faith helps them grow closer to God. Here is a list of some of the things that show that the students have been guided by "Jesus' Light".

### THE LIGHT OF CHARITY

- Food Drive: The 7<sup>th</sup> & 8<sup>th</sup> grade students sponsored this drive to help fill the shelves of the Food Pantry. When they delivered all the boxes of food to the Pantry, the empty shelves were full. Thank you to all the generous families who helped make this drive so successful.
- Christmas Adopt a Family: The Youth Ministry (Gr. 7<sup>th</sup>-11<sup>th</sup>) were able to adopt 2 families this year. We can only imagine the happiness in those 2 homes on Christmas morning.

### THE LIGHT OF LOVE

- Senior Citizen Christmas Baskets: Ornaments were made by the Kindergarten class. Cards were made by the 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> grade students. Youth Ministry assembled all 20 baskets. A special thank you to all the people in our parish who helped deliver the baskets, we couldn't do this without all your help, your "light of love."
- Farewell and thank you cards: A project from all the students given to Fr. Scott on his move back to Rome to finish his studies. We know Fr. Scott loved them all.
- CCW act of love: They supplied treats for all the students on Halloween, the eve before "All Saints Day". It was a special act of love given to our 55 students.

### THE LIGHT OF FAITH

- Catechists: These very special people have been guiding students to follow the light of faith: Chris Scallon, Kathy Dwyer, Sheley Scallon, Jodie Schweitzer, Brenda Olson, Rita Stoltz, Kami Clary, Danny Clary, and Brenda Faber. This parish is so blessed that these adults have shared their "light of faith" with your children.
- Substitute Catechists: These people have helped out when the catechists have been absent. We are so thankful for them: Ann Slaney, Doug Faber and Rachel Brunner.
- Bulletin Board Projects: Each month a class displays their faith for all of you to enjoy.
- Our Pastors: Fr. Scott, and now Fr. Sanctus have been our leaders in faith. Fr. Sanctus is celebrating Mass with the students on the 2<sup>nd</sup> and 4<sup>th</sup> Wednesdays of

each month from 7:45-8:15 pm. We encourage all of you, but especially parents to attend with your children.

- Stations of the Cross for Lent: On March 15<sup>th</sup> and April 5<sup>th</sup> the Confirmation students will be leading the stations from 8:00-8:15 pm. All are welcome.
- Reconciliation: The students will be celebrating the Sacrament of Forgiveness on March 8<sup>th</sup> and March 22<sup>nd</sup> at 7:00-7:45pm. Mass will be from 7:45-8:15 pm.
- First Communion: We have 2 students who will receive this sacrament on May 7<sup>th</sup> at 8:00 am.
- Last Class for 2017: Religious Education will say farewell to the students on May 3<sup>rd</sup>. The Youth Ministry will be conducting games. We will have a Sundae Buffet to close out our year.

### THE LIGHT OF HOPE

Religious Education is a very important ministry in a parish, but as important as it is, we cannot continue without catechists. Children need education for 13 years of their lives. Won't you give us the "light of hope" and consider a few years of your time to help us continue this important mission of St. Patrick and St. Boniface parishes.

#### Some Lenten Suggestions: Instead of giving something up this year, how about trying to add something to your life?

- ✦ Attend at least one daily Mass for each week of Lent.
- ✦ Find out when and where Adoration of the Holy Eucharist is offered or stop by a church. Spend time in prayer before Our Lord in the Tabernacle.
- ✦ Begin the practice of offering thanks before every meal.
- ✦ Pray for peace in war-torn regions.
- ✦ Work together in a soup kitchen and converse with persons served.
- ✦ Write a letter of faith and encouragement to some who is incarcerated.
- ✦ Visit an elderly or sick person. Take care of an errand for them.
- ✦ Be an advocate. Write to an elected official and/or donate to a cause that provides resources to meet the needs of poor and low-income people in your community or in a troubled part of the world.
- ✦ Participate in the Rice Bowl Program.
- ✦ Turn off the electronics during meals, and talk as a family.
- ✦ Instead of answering "Just a minute," to your parents, do what they ask the right away.

**You are invited to join Holy Family for Soup and Bread each Friday of Lent following 11:30 am Mass. Bring a meatless soup or bread to share. All Welcome.**

**The Easter triduum is a three-day celebration of the Lord's death and resurrection.** It begins on Holy Thursday "with the evening Mass of the Lord's Supper, reaches its high point in the Easter vigil, and closes with evening prayer on Easter Sunday" (Roman Calendar, no. 19).

The following prayer is used on Easter Sunday and through the Easter Octave, or eighth day after Easter. You can use this in your home for the Easter Octave.

**Table Prayer:  
BEFORE THE MEAL**

**Leader:** This is the day the Lord has made. Let us rejoice and be glad, let us praise the Lord for his goodness. For behold, Jesus died and now lives for evermore. Alleluia!

**ALL:** He has gone before us. Yet he is with us for all time. Alleluia!

**Leader:** Lord, on this most holy day let your blessing rest upon us and upon our table. Strengthen us in this time together. We ask this in Jesus' name.

**ALL:** Amen.

**AFTER THE MEAL**

**Leader:** Blest are you, Lord our God, who gathers us together in Jesus' name. We thank you for sharing your life with us, both in this meal and in all the ways you sustain us, through Christ, our Risen Lord.

**ALL:** Amen.

**Seventh Annual Food Fair & Farmers' Market – Saturday, March 4th, 2017.**

Buying locally is the latest in the food industry. Today's consumers want to know where their food comes from.

By buying locally:

- Local economy is strengthened with money staying in the community
- One gets to know the producer personally
- Food is fresh and ripe which makes it tastier
- Green- doesn't travel long distances to get to its destination

At the Food Fair, local producers will be on hand to answer questions, share knowledge, and even provide a taste of their product.

Learn about winter sowing, Heirloom seeds, All Things Orchard & Fruit Bushes, Fermented Vegetables at the available mini sessions.
