

Holy Angels Charitable Contributions for a Specific Purpose

If you or a family member wishes to make a donation to Holy Angels Parish with the intention that the donation be used for a specific purpose, please fill out a “Charitable Contribution Designated Purpose” form. The form can be obtained on the Holy Angels website at lavalleholyfamily.org or by contacting the office at (608) 985-7558. Designating a specific use for donations of cash or property ensures that the intentions of you and/or your family members are fulfilled. Restricted donations may only be used for the purpose designated by the donor.
